WHAT IS CLASSICS & CHEESE?

A weekly singing-for-wellbeing group with heart, harmony and a little bit of glorious cheese.

A little note from EMiliYAH / EMZ

I'd love to invite you to Classics & Cheese - a new singing-for-wellbeing group created as part of my Free Your Voice with Love programme. It brings together confidence-building, vocal development, joy and play through songs that might mean something to you.

Hosted by EMiliYAH / EMZ • singer-songwriter • producer • vocal mentor

WHAT TO EXPECT

FEEL-GOOD SINGING

Songs you know, love - or might unexpectedly fall in love with.

BOLD HARMONIES

We build the sound together, with plenty of support from your lead vocal.

CONFIDENCE + VOICE

Explore your voice, try something new and step outside your comfort zone at your own pace.

JOY + CONNECTION

Sing, laugh, meet people and enjoy a welcoming, zero-judgement space.

FREEDOM TO BE YOU

Come exactly as you are - or bring a little extra sparkle. Try a new look, wear your favourite wig, dress up, dress down, or let a different side of yourself come out for the evening. You absolutely do not have to - but you should know that you can.

Discover a bit more of you.

Optional performance opportunities will be available as the group grows - never an obligation.

THE SONG MENU

Served every Monday. Best enjoyed loud.

We work song by song - this is the menu, not one night's setlist.

THE CHEESE BOARD

- Mamma Mia (ABBA)
- Dancing Queen (ABBA)
- All That She Wants (Ace of Base)
- Barbie Girl (Aqua)
- What Is Love (Haddaway)
- Freed From Desire (Gala)

- At Last (Etta James)
- A Natural Woman (Aretha Franklin)

Chef's note: Some are classics. Some are cheese. Some are both. No judgement, please.

WARNING May cause spontaneous harmonies, questionable dance moves and excessive confidence.
